

10 In-Demand Works on Artsy This Week

By Beatrice Sapsford

September 28, 2020

Heather Day, *Projection* (2020)

This work by abstract artist Heather Day is included in “Ricochet,” her current solo show at Los Angeles gallery Diane Rosenstein, and it received several inquiries from Artsy users this past week. The show features a number of paintings and works on paper made in 2020 by the Bay Area artist, who creates her paintings by scraping, smearing, and/or flooding pigment on the canvas.
